Ukraine, 2012, without dialogue

### **Synopsis**

Sergiy and Sveta live in Chernobyl. Sergiy is a truck-driver at a radioactive wastes utilization plant. Sveta works at a radioactive decontamination laundry. Their work and their life are dictated by one unchangeable rhythm with clockwork precision. But what sets this mechanism in motion - day by day.

### **Director Bio**

Born in Kiev in 1974, in Kiev (Ukraine) Myroslav Slaboshpytskiy graduated from the filmmaking department of the Kiev State Institute of Theatre and Arts, named after I. K. Karpenko-Kariy, majoring in feature film directing. He has worked at film studios in Kiev (the Dovzhenko Film Studio) and in St. Petersburg (the Lenfilm Studios). He also worked as a script writer on numerous TV films, one of which The "Chernobyl Robinson" which won the prize of the All-Ukrainian Script Contest "Word-2000". Coronation of the His debut short "THE INCIDENT" has competed in about 25 festivals in 17 countries. His second film "DIAGNOSIS" has been nominated for Golden Bear. His next short film "DEAFNESS" is his second Berlinale outing and also got a Golden Bear nomination.

In the autumn of 2010, has received a grant for development of his first full-length feature film "THE TRIBE " from the Hubert Bals Fund of Rotterdam Film Festival.
